

# CREDIT CARD PAYMENTS DESIGNED FOR INTERNATIONAL STUDENTS

We've applied our bank transfer model to credit card payments. Now students can pay in their local currency, avoid foreign transaction fees, and see their total payment cost up-front. As always, online payment tracking and great customer support are available every step of the way.

## BENEFITS

**NO COST TO YOU** Flywire's credit card solution is completely free to institutions with no integration costs.

**CONVENIENT** Payments are completed online in minutes with no need for students to visit the bank.
