1. On the Spot Award
 - Al will speak more on this at open forum
2. Signage for trucks turning on Aggie
 - Al does not think this is necessary at this time
3. Can uniforms be changed?
 - Al thinks that the first time will not be an issue. Still within that 30 day window.
4. Dr. Frey and the Executive staff were bragging on the landscape and how clean the buildings are. Appreciative of how hard FM worked on the Greek Housing and move-in and start of classes.
